

Gabe Zimmerman Public Service Awards

Champion Arizona's Non-elected Public Servants Luncheon Event Sponsorship Opportunity

Every day throughout Arizona, non-elected public servants are contributing to their communities and civic life, and working to build a stronger and brighter future for our state. To recognize their immeasurable efforts in advancing The Arizona We Want, Center for the Future of Arizona (CFA) presents the Gabe Zimmerman Public Service Awards.

Gabe Zimmerman lost his life on January 8, 2011, while serving Arizonans at a "Congress on Your Corner" constituent outreach event in Tucson. In an effort to honor his contributions and deeply emphasize the critical roles public servants fulfill for our state, CFA partners with Gabe's family and the Arizona City and County Management Association (ACMA) to recognize individuals who are dedicated to positively impacting their communities – just as Gabe did in his role as Director of Community Outreach for Congresswoman Gabrielle Giffords.

We welcome your partnership to shine a spotlight on individuals who believe in and contribute to building Arizona's future every day. Sponsorship of the awards luncheon provides visibility among public sector influencers and the community at-large.
