

AZPOP Public Opinion Poll
Statewide Likely Voter Study
February 2025 - CFA Add-on Questions

Q1. Here are two statements regarding the timing of election results:

- Voter A believes we need to have election results sooner even if it means limiting convenient voting options. We should stop early ballot drop-off a few days before Election Day to speed up results.
- Voter B believes it should be easy and convenient for eligible citizens to vote. We should continue allowing voters to drop off their early ballots up to and including on Election Day. It's worth it to ensure every voter has a chance to vote even if it means waiting longer for final election results.
