

APPROXIMATELY 45 MINUTES

INTERVIEWERS \_\_\_\_\_

PARTICIPANTS \_\_\_\_\_

1. What was your role in the SPB process that took place this year?
2. What do you enjoy the most about this role?
3. What was your first impression of the process and did the process match your expectations?
4. From your observations, what were the main accomplishments of SPB?
  - Student voice/empowerment
  - Relationships between students across differences
5. What were the challenges in the full student body participation in SPB?
6. What worked well and/or what recommendations do you have for future student body participation in SPB processes?
7. How has SPB fostered changes in school-based relationships (students to students, students to teachers, students to administration, teachers to teachers)?
8. How has the experience of SPB made you rethink other ways your school and decision-making could be more inclusive?
9. Any other comments that you would like to add?
